

Mr. Weinberger's secretary (Louise, Code 145, x-2753) called Mr. Schlesinger's office today to say that Mr. Weinberger would like to receive the President's Daily Brief and "the CIB Weekly." He does receive copies of them now, but they are addressed to him as Director of OMB. Those copies should be addressed to Mr. Ash as Director of OMB, and Mr. Weinberger should get them in his capacity as Counsellor to the President for Human Resources. Mr. Weinberger is also currently receiving "Developments in Indochina," and he would like to discontinue this in his new job since, according to his secretary, "all that is contained in the Daily."

I told Mr. Schlesinger's secretary that I would take care of this and be back in touch with Mr. Weinberger's secretary about it.

P. S. Mr. Weinberger is currently sitting in the White House -- until he is confirmed by the Senate either today or tomorrow. After that, he will be in Old EOB, Room 214.
